

TRUST IN REAL ESTATE SERVICES ACT

UPDATES TO THE CODE OF ETHICS

The new TRESA Code of Ethics have been updated so that the ethical requirements are retained within the Code but all of the technical and procedural requirements have been moved to the general regulations or other regulations.

This means that the Code of Ethics truly articulates the requirements that REALTORS® must comply with related to integrity, quality of service and conflicts of interest. As a result, the new Code of Ethics is much smaller compared to the old.

The trademarks REALTOR®, REALTORS®, and the REALTOR® logo are controlled by The Canadian Real Estate Association (CREA) and identify real estate professionals who are members of CREA.
